

# NORTH EAST REGION WATER CORPORATION

## AGREEMENT FOR CONNECTION TO LOW PRESSURE SEWER MAIN

**THIS AGREEMENT** is made the .....day of ..... 20.....

Between **NORTH EAST REGION WATER CORPORATION** (“the Corporation”) of the one part and (*Name*)

.....  
 (“the Applicants”) of the other part, being the owner or the occupier of the property described as (*Address*)  
.....

.....  
The Corporation consents to the Applicants connecting to the low pressure sewer main and will accept and treat the sewerage discharged from that connection, subject to the following terms and conditions of this Agreement.

1. The Applicants warrant that the installation complies in all respects with the “Low Pressure System Installation Guidelines” as nominated by the Corporation.
2. The Applicants acknowledge that the maintenance of their works up to and including the property boundary kit is entirely their responsibility and at their cost.
3. The Applicants must not transfer, sell, or otherwise part with possession of the property without first giving notice in writing to the person or persons (“the new Occupants”) to whom the property is being transferred or sold or possession is being given, of the existence and substance of this Agreement.

In the case of a lease, transfer or sale, the Applicant must not allow a new Occupant into possession of the property without including in the lease, contract for sale or any memorandum or agreement whether verbal or in writing, a condition whereby the Purchaser agrees;

- To be bound, and acknowledges that he is bound, by all the conditions of this Agreement (including this condition) in all respects as if he was the Applicant; and
  - To execute an agreement of the same nature and substance as this Agreement, if so required by the Corporation.
4. The applicants must advise the Corporation in writing of the lease, sale or transfer of the property.

5. The Applicants, shall if specified in the attached Schedule A to do so, execute such other document or documents or comply with any special conditions as may reasonably be required by the Corporation to safeguard its rights and assets.
